

PRODUCT DESCRIPTION

Permadeck Systems' GRIP Treads & Landing Covers are manufactured from durable GRP (Glass Reinforced Plastic) and have a hard wearing, integral slip resistant surface. Each Tread incorporates a 55mm nosing in a contrasting colour to help towards compliance with disability discrimination laws and the "Part M of The Building Regulations Act". Suitable for either internal or external use, GRIP Treads & Landing Covers provide a secure surface for maximum safety and can be trafficked immediately after installation.

KEY FEATURES

- Durable slip resistant surface
- Quick & Easy to install over most substrates
- Long design life
- 55mm contrasting colour on tread & riser
- Disability Discrimination Act compliant
- Building Regulations Part M compliant
